- The key steps you should follow to plan, prepare and perform an effective audit.
- How to effectively perform the audit by knowing the right questions to ask.
- The secrets of becoming a process based auditor.
- How you can write a non conformity that will deliver an effective corrective action every time.
- How to 'calibrate' yourself and your non conformities with your notified body.
- Move beyond compliance: Use your audit system to genuinely improve the effectiveness of your organisation.
- Key systems elements including; Links to ISO 9001, risk management, validation.

Your 100% money back guarantee: We offer the most unique and interactive courses around so if we don't deliver the course learning objectives, provide you with an expert trainer or if you are just not happy with the training delivered, we will refund you course fee and offer you a **FREE** training course.

WHY CHOOSE QCS FOR TRAINING?

Peace of mind that your qualification is valid: As an IRCA approved organisation, our courses, our company and our trainers undergo an intensive inspection and assessment every year.

We make sure you don't fall asleep: We have invested heavily in our courses to make them interactive. Simply put, it is our belief that if we keep you involved in learning you will learn more and be able to use more back at work.

Our trainers still practice what they preach: Yes we have highly qualified industry experts to train our courses but more importantly all our trainers still actively work with a range of companies and can pass this experience on to you.

" QCS has provided us with a flexible service. We have used standard training and bespoke training packages. QCS have managed to instil a confidence in our audit team that was lacking. Our management systems seem less challenging with the expert advice from QCS behind us"
