

OHSAS 18001:2007 Internal Auditor Training Course

COURSE OVERVIEW

IRCA REGISTERED A17463

This two day course will help you make sense of your occupational health & safety system by helping you to understanding your key workplace hazards, how to control these and then how to manage and audit your system. This IRCA registered course will give you the very latest training in how to audit in addition to giving you an internationally accredited qualification that your certification body and your customers will recognise.

YOU WILL LEARN...

- Cut through the 'OHSAS speak' to give you a clear understanding of OHSAS 18001:2007.
- Understand legislation that affects your business and how to stay compliant.
- The key steps you should follow to plan, prepare and perform an effective audit.
- How to effectively perform the audit by knowing the right questions to ask.
- How you can write a non conformity that will deliver an effective corrective action every time.
- Move beyond compliance: Use your audit system to drive continual improvement in your organisation.

Your 100% money back guarantee: We offer the most unique and interactive courses around so if we don't deliver the course learning objectives, provide you with an expert trainer or if you are just not happy with the training delivered, we will refund you course fee

WHY CHOOSE QCS FOR TRAINING?

Peace of mind that your qualification is valid: As an IRCA approved organisation, our courses, our company and our trainers undergo an intensive inspection and assessment every year.

We make sure you don't fall asleep: We have invested heavily in our courses to make them interactive. Simply put, it is our belief that if we keep you involved in learning you will learn more and be able to use more back at work.

Our trainers still practice what they preach: Yes we have highly qualified industry experts to train our courses but more importantly all our trainers still actively work with a range of companies and can pass this experience on to you.

"QCS has provided us with a flexible service. We have used standard training and bespoke training packages. QCS have managed to instil a confidence in our audit team that was lacking. Our management systems seem less challenging with the expert advice from QCS behind us"
